

SBWN Scholarship Guidelines for Cuesta College Re-entry Student

1. Female: Minimum 21 years of age
2. No prior degree, including AA level; certification O.K.
3. Selection will be based on financial need.
4. Scholarship is open to part or full time female students attending Cuesta College
(priority given to those who have “been” attending, but not necessary criteria.)

Definition of “re-entry” is basically (and defined in the education system as) students who want to attend college after an interruption in their education “following high school.” In other words, the student didn’t go to college right out of high school and/or started a degree and didn’t get an opportunity to complete it - i.e. “Adults returning to College”
